Apparently there's no funding for GG @ APHL so he'll bump.

Subject: RIF Follow up questions

Hello,

Debbie and I met w/ Lana and Marianne earlier today re: the final RIF list and there are some additional questions about some of the Lab names. I hope that you can help us in Linda's absence since HR wants us to clarify things within the next couple of days:

- 1) Gary Greer: has he officially resigned? If he doesn't resign before we start the RIFs at the end of June, he'll need to remain on the list. I want to make sure you and Linda are aware of this.
- 2) Benny Edge and Janice Zanolli: can you please remind us about the process for identifying these two positions in particular for the RIF list and any plans for covering the work in their absence?

Thanks ahead of time for your help w/ this,
Monica
